Good news. The deadline for emailing Kino Ken (via kenorme1@hotmail.com) your recommended juvenile film actor and juvenile film actress lists has been extended to June 30, 2017. Remember to send along with your recommendations the title(s) of each film newly screened containing a recommended juvenile performance from the list posted elsewhere on this website. LVCA website visitors may recommend up to five performances in each of four categories: Juvenile Actor in an English-language film, Juvenile Actress in an English-language film, Juvenile Actor in a Foreign-Language Film, and Juvenile Actress in a Foreign-Language Film. Please participate if you like films and live in the Ligonier area.
